Re: Certification of Endorsement Letter

To whom it may concern:

I am in the process of applying for a Florida state low voltage license by endorsement from the state of Georgia. I am required to submit a letter of license verification and good standing from the endorsing State of Georgia.

Please mail to me this letter which will need to include the following information:

1. My low voltage license number,
2. That I received my license via the Georgia state low voltage exam,
3. The date my license was issued,
4. That my license is currently in good standing with the State or Georgia,

Please mail the letter to my current address at:

Your assistance in this matter is greatly appreciated.

Thank You,
